LEAD ASSOCIATE - QUALITY (HEALTHCARE)

With nearly 5 years of overall experience, I possess 3.5 years of focused expertise in US Healthcare claim processing as a Lead Associate. My responsibilities encompass preparing and publishing quality reports, overseeing a Quality team, and facilitating them in achieving daily targets. I meticulously manage employee attendance, allocate work, and maintain feedback trackers and Root Cause Analyses (RCAs). I consistently meet daily targets and willingly commit to overtime when necessary. Furthermore, I excel in managing client expectations and executing tasks efficiently.

KEY COMPETENCIES

US Healthcare CLaim Processing	Daily Target Achievement	Strong Interpersonal Skills
Quality Report Preparation and Publication	MS Excel - Pivot Tables, VLookup, etc.	Employee Attendance Management
Team Management	MS Word	Exceptional Organisational Skills
